Third Grade CSAP Scores Shine 93% of third graders scored Proficient or Advanced on the CSAP Reading test.

Teachers and students alike have worked very hard this year in all subjects, and we are especially proud of how well McAuliffe is being represented by our 3rd graders.

Although many factors have contributed to this success, we feel that some of the most prominent are the Nightwrites we periodically sent home for homework, writing training our teachers received, the Parent writing night that many attended, and the fact that we had a very high student attendance rate in 3rd grade. In fact, our attendance was one of the highest in the district. Parents, teachers, and students have all worked together this year and our third graders' success in reading CSAP is the evidence of that.

*Accepting the challenge of tomorrow, our mission is to create a nurturing
Environment where we reach for and realize our potential.*
